

26. June

Wesley Wemyss

GROSVENOR, 1071.

30, UPPER GROSVENOR STREET,
PARK LANE.

W.

Dear Mrs. de Laszlo.

I have just returned from your exhibition which filled both my daughter and myself with enthusiasm; I cannot tell you how much I admire your pictures and especially those of Admiral Heyes & the Queen of Roumania.

I should so much like to see you again; will you propose yourself one day to tea or may my daughter and I come and see you in your studio - It would

be such a pleasure.

Yrs sincerely

Victoria Westcott Seavey
