

42^{bis} AVENUE HENRI MARTIN
PASSY : 45-58

Nov. 23rd .

Dear Friend

Many thanks for your
kind letter of Nov. 16th - We
were very glad to see you here
last month - and quite happy
that you enjoyed your tour
and made such good work.
It's a pity, that you could not
do anything in Versailles.

All your portraits are gone
except Pauline & Sabine; she

left it here till she goes in
her new flat,

We are going at Xmas for a
few days in Paris-Boulogne, when
the boys will shoot, and have
good air - Nothing fixed afterwards.
I was invited to Egypt on a
very nice sabbath, but I
won't have time, as it is a
long journey.

I have recently seen Mrs
Reggy Fellows (Dun Decker's
daughter) who has had that sketch
done by Sargent - She wants it
sketch by you, and asked me to
arrange the matter with you -

We shall fix that when you
go through Paris - in January.

I showed you fine book
to friends: it had a great
recess...

Ever yours

Griff
