Dear Mr de Laugel:

I was sorry to be unable
to attend the debate to
the Lords yesterday. I was
asked - but had to go
to appear on my Ambassador's
behalf - I saw what I
gather this morning. The
result - free world for
your Ambassador so I hope
the end of all these

difficulties is in sight.
It would be merciful.
I wish you would let
me know when your case
is coming on in the
Court - should I be able
to go & hear - or not!

You must be enjoying
the beauty of the country
now - for truly it looked
a Paradise of levelness
yesterday - here - it is
hot! I envy you your
peace & repose. We are glad
