

CIRCULO MALLORQUIN  
PALMA DE MALLORCA

30th. III. 1926.

My dear old fellow - Next in the world has become of  
you. I am peevishly worried, for I have had nothing from you for  
several months - the last was from N. Y., written just as you  
were going to do your Washington work on the day, Anderson  
it also, & I expected to see here long before this. I am very  
much afraid you are ill. I sent you a copy (Care of the  
Lars Anderson) of my new Guide to Majorca.  
My best wishes to you and all others  
of your family.

Most sincerely yours

Richard Chained,

Chamberlain
