Alvise. The Prince
of Monaco's daughter and
her husband would be
very anxious to be painted
by you. As you know Prince
Grisio Testatic, married
the divorced wife of the
late Prince of Monaco.
So the present Prince of
Monaco is a step brother
of George Testatic.
Now he said to me

The Prince of Monaco
would be very happy if
you could arrange it to
stay with them with your
wife & they at Monaco
Castle during Riviera
Season and then you
could present the 2 portraits
of the young couple.

They asked me to
communicate to them which
would be the price, which
you would be disposed
to make the 500 portraits.

If you could not come
to Paris till the 28th
please let me know
your kind answer to
Budapest. I will
where I intend to arrive
on the 2nd or 3rd of
November. I am in
good health and in good
spirit. We must hope,
work and take our
present circumstances un-
pleasant life as it is.
It was always my

philosophy of an optimist.
The Government of Hungary
is strong and we hope in a
better future. Do write
me my dear Philipp! I
would be so happy indeed
to see you again if only for
one day. Do write me at
15. Rue de Berri if it is
possible to see you so I am
postponing my departure.
Kindest regards to Lucy.
Yours very sincerely with
much love and sincere
affection
