My dear friend

many thanks for your letter - I am glad you like my garden subject as I did take pains to get it right; I did it in the Van Praaghs' garden. There is good stuff in the show. I will certainly do my best to meet you at the R.A. on Wednesday and I will try to get there between 2.30 and 3 - I have a council meeting of the League at 4. The show is a wonderful one and full of fine things; I much want to see it with you.

Peter phoned me early this morning to say that their baby had just arrived; it is a daughter this time. Both are doing well, Peter said, so I hope everything will go all right this time.

If by any chance I am prevented from ~~going~~ getting to the R.A. on Wednesday, I will come along to No. 3 directly the League meeting is over - probably about 6.30.

an revoir till then

always yours

A.L.Baldry
