

Paris - Nov 6th 1928

My dear Friend

I hope
your journey back
was agreeable.

Please, do send
me, as soon as possible,
a photo of your Salle
de 2^e Horloge. Count
Fleury and I, have
planned out a few
lines for 1st Illustra-
tion, which is our
first Magazine:
but they are anxious

To have a photo very
soon.

Young Saffroy
crossed for France
while you were cross-
ing to England: so
he will call on you
when his leave comes
to an end.

Remember me to
dear Mrs. de Lasglo,
and find me here
Very Sincerely and
affectionately
Yours. H. A. P.
