

WOLMER WOOD,

MARLOW COMMON,

MARLOW, BUCKS.

July 6th 1929.

My dear friend

I do not know Mrs de Laszlo's address at Brighton so I cannot write to thank her for her very kind letter - will you do so for us. If nothing unexpected prevents me I will be with you on Wednesday probably about seven; I have a Council meeting to attend first and that generally lasts till 6.30.

I hope John is going on well and that you are all right
always yours

A. H. Baldry.
