

WOLMER WOOD,

MARLOW COMMON,

MARLOW, BUCKS.

Aug. 15<sup>th</sup> 1926.

My dear friend

I was glad to get your letter yesterday and though I am sorry I shall not be able to be with you on Wednesday I am glad to hear that you are going to spend the week in pleasant surroundings - I hope you will have a good time in the Isle of Wight. I must have a peep at you before you go to Italy so I will keep Sunday free to come up. If I can arrange it I will come up Saturday afternoon and stay till Monday - if that is to say, this suits you. If I cannot get away on Saturday I will come up on Sunday for the night. I do not know at the moment which of the two I can do as I am not sure about our arrangements for the week end but I will let you know

later whether I shall turn up  
Saturday & Sunday. You reproach  
me for not appearing at Fitz Johns  
Avenue before — I am sorry but since  
we got back from Cornwall we have  
had a lot to do in one way and  
another and my trips to town have  
been only for a few hours at a time  
and not very week. We had the  
Kendricks with us for tuesday and  
other friends and there has been  
a good many things going on  
here that I could not get out of  
— if I do not appear occasionally at  
local tea parties and tennis afternoons  
I get into the bad books of people here.

An revoir then till the end of the  
week when I hope to find you all  
in the best of spirits

always yours

A. H. Baldry.
