PARK 5747.

21st January 1925.

Dear Mr de Laszlo,

Here is the article.

You will see that I have had to leave out some of the details you gave me in order to bring it within the necessary limits.

Even now, I am not sure but that it may have to be cut a little.

In reading and altering it, therefore, may I ask you to bear this in mind and if you can indicate some things which may be omitted I shall be grateful if you will do so.

The manuscript will, of course, be copied and, if you desire it, I shall be glad to send you a copy of this amended script for you to keep.

It was very gracious of you and Mrs de Laszlo to receive me as you did on Monday night and to give me so much time.

Faithfully,

Rudolph de Cordova.
