Dear Gen. de Loglo,

I have a friend  
who would like so much  
to be painted by you. Could  
you let us come to see you  
one day? She is lunching  
with me tomorrow (Wed.)  
Could we go to see you  
for a few minutes after  
lunch?

Come back

from Pestany - cured.

Would your secretary just  
ring up and say when -  
and if and where you could  
see us?

I do hope you are  
better after your cure.

Yrs ever.
