Dear Sir,

I feel it a great
honour to receive your
kind appreciative letter
this morning, from one
bearing a name so distinguished
in the World of Art.

I thank you very much
& am glad the verses remaining

of the dear beautiful highlands
of Scotland, where you
have spent many happy
days. It is a real joy to
receive acknowledgement
from one so gifted as you
& I treasure more, than
words can you express.

I am, dear Sir,

Respectfully yours
John Young.
