

WIMBLEDON 1444.

1A, THORNTON HILL,  
WIMBLEDON, S.W. 19.

I hope you and Lucy will  
have a very refreshing  
and restful holiday  
in the Sunny South and  
return feeling all the  
better. We shall look  
forward to seeing you  
and showing you the  
picture framed and  
then I can tell you all  
that is said in

admiration of it.

L. E. E.

Please give Lucy my love.
