Dear Mr. de Lazlo -

You don't know how pleased we were the other night in having the great pleasure of making your acquaintance. My husband and I would be only too delighted to call on you on day next week - if it is convenient for Madame de Lazlo and yourself. On Saturday we leave for Paris and we are engaged on Wednesday but any other day would suit us perfectly.

Our telephone number is : Paddington 1799

Sincerely yours

Jeanne Temple-Rastou
