Dear Mrs de Laszlo,

It is really very kind
of you to have thought of me
for your delightful party on
the 27th and I would have
liked to much to come,
but unfortunately I
have already accepted

a previous engagement
in that same evening with
an old friend of mine
and so I must to my
greatest regret excuse
myself.

Please accept my sincerest
sympathy on the occasion of
your nephew's death and
believe me my most
sincerely
Lambert P. Hildreth
