

50. Wilton Crescent - 14,
Tuesday night May 31.

Dear M^r. de Lánglo

I wonder whether you are here? or
still in Paris? - Anyhow I will send Pierre
F. Lichtenstein's letter to Hampstead, & you
will find it on your return. I spent 4 days
with him & W. Kusa at Poregg, their lovely
place in Carinthia, & only left there last
Monday. - They asked much after you, &
sent you many messages, as well as this
letter, & a postcard to give you an idea of
what beautiful country it is. - I will
tell you all about it, when we meet.

I only got back late last night. I
hurried home sooner than I intended,
as I had very indifferent accounts of my

brother, & I got very anxious. -

Forgive a hurried letter, & ring
me up when you get back; & we must
arrange to meet. - Either you & Lucy
must come to luncheon with me; or I
will go & see you. - Love to Lucy

Very sincerely
Margaret Warrinder

Many many messages from Mr Wood
& Annie. -
