Dear Mr de Laszlo

Please forgive me for
worrying you. I should
so like you to see the copy
of the Duke of Northumberland's
portrait - before submitting
it to the Duchess -

I wonder if you can spare
the time to give me a call
anytime that is convenient
to you. I would have
mentioned this matter to

you at the R. B. A. only
did not want to bother
you knowing how very
busy you were - and alas
since then I have had a
bad attack of bronchitis -
but am pleased to say
am now much better.

I have tried very hard to
make a good copy - and
do hope you will like it
With kindest regards

Yours sincerely
Sydney P. Kendrick
