Sept 15th -

Dear Mr de Laazlo

It is good of you to recommend me to the Duchess of Northumberland - I more than appreciate it - very many thanks - I shall be delighted to do it - as that portrait has always been one of my great favourites - so I am hoping I shall have the pleasure of copying it.

I have received a letter from

Mr P. P. Argenti, asking
me my fee to copy a small
portrait of a lady painted
by you - I have quoted 50 qrs
I hope I have done rightly in
this matter.

I am so pleased to hear that
you & Mrs de Sazlo are well.
Glad to say Mrs Kendrick
is now much better & joins
me in wishing you both
a most enjoy able holiday.
Again very many thanks

Yours sincerely
Elizabeth Kendrick
