Dear Mrs de Laszlo - I cannot
begin to tell you how much
we appreciate your great
kindness in giving us one of
your much sought after
signed paintings as a prize
for the Living Poster Ball -
As I feel it is much too
handsome a gift to put in
with the ordinary prizes, I have
passed it over with Peter Stewart
& we have decided to put
it in with the ten prizes
which we are keeping out
for the raffle (one of which is
a car) & in which we hope
to make £1000, & I am

Since that with the additional attraction of 7th
panting we will more than obtain our goal.

With my most sincere gratitude

Yours very sincerely

Roselia Mathias
