NOTICE

BERKELEY.

17th July 1930

Dear de la Cruz

I very much appreciate your kind letter of congratulation. Which the Colonial office has very judiciously recognised the little work I have done for the colonies in giving me a K.C.M.G. but between ourselves it is truly fears too late for me to enjoy the honour as I could have done there

I hope you and your

wife will come down to
see us since Sunday. We
are nearly always at
home on that day and
lunch is at 1.30.

With dry many thanks
for your good wishes and
with kindest regards to
you both - in all of which
my wife joins.

Yours sincerely
F. M. M.
