Dear Lajos

Alas we are off to  
London Sunday morning  
in "folden avaru" so cannot  
be to your Studio on Monday  
5-30 ————— But soon in

London I hope - to see you.

---

34 Chapel St is my address  
SW1.

---

I tramped through the Salon

Yesterday - the cold was  
like the North Pole - with  
a North west gale too -  
I was naturally arrested  
by 2 portraits! & was  
very glad to meet them!  
in that desert of horrors!

Portrait

But I am unjust perhaps  
as I really had not time  
to "port them" <sup>load for the load!</sup>  
our 2 pencil portraits  
very well placed - & perfectly  
hung! - It is evident  
they appreciate things not  
"modern"!
