Dear Mr. de László,

Enclosing I

send you an article, published
in the 'Magyarország' on last Thurs-
day.

I saw the boat race from a
charming little house in the
Upper Mall, Hammersmith. I
think you know them very well.
It was a party & I met Lady
Duff-Jordan again.

I had an interview with

Lord Cecil last week. And I
am afraid I can't tell you any
more about my activities in
the past. I very much hope I shall
see you soon!

I am,
Yours Sincerely
Adam de Hegedus

P.S. Kindly tell Mrs. de László
that I left a card on Mrs. Samuel
Guinness about a week or two
days ago.

A. de H.
