Dear Mr. Lasele
Your most kind letter
from Agères found me in Paris &
not in Rome - Temporary absence has to my
regret delayed this reply - You will
doubtless find much of interest in the art
section of the Barcelona exhibition
without doubt mostly old families
as my five visits in Spain have
been extended ones & I only wish they
might be repeated
The Italian paintings are wonderful
knelt together at present in Burlington
House; altho' the through entering the
galleries must be a real destruction
to those who desire study & enjoyment
of the art treasures deposited
there - Love Truly I was

Working with Cassin & Catellum too had
the pleasure of again receiving your altogether
perfect portrait of my Master - I've not been
in England since the February of 25 the same
have joined my Master to Mr. [unclear]

Please let me say that the
Royal Society of British Artists will
be much honored by your recent election
as its President - I wonder if it is a

touch of "Gino Lomine" which makes French
pictures of today so seldom possessing the
quality & charm of other years - You never
see such a unity of appearance & activity
as that in your remarkable pictures of figures

Italian - Happily he seems to be making good
money from his own efforts - Am expecting
soon to return to Rome, where the good
news always reaches me, as they

comes - Please convey kindest
regards to your daughter, I hope her
days are soon to meet with the same
Your sincerely -

Atth A Whiting
