Mrs de Sazgo

Confirming your instructions, I will send for the picture tomorrow-morning. My wife & I greatly enjoyed the wonderful shopping yesterday afternoon. - We trust you will have an enjoyable trip to Paris.

I am very happy that things are happening at the R.B.A.; the first exhibition under your Presidency looks like being a notable one! With very kind regards to Mrs de Sazgo & yourself. - from both of us.

Sincerely yours.

JA Amshewitz
