Monsieur de La Roche

I am just  
back from the wilds of France & hasten  
to thank you for your kindly  
courteous letter. I shall be only  
too pleased to take your suggestions  
with regard to the copy & to do  
what I can to improve it. - I will  
call tomorrow Monday between 5 & 6.

- I passed through Paris &  
saw the Salon & was much impressed  
with your beautiful portrait of the  
Marquise de Mente - admirable  
in movement & handling.  
With kindest regards & thanks

I am  
yours sincerely  
J. S. Amshurst
