Dear Mr de Szabo

Richmond.

tells me it is customary for  
the Presidents of all the Royal  
art Societies to wear their chains  
of office at the Annual Dinner  
of the Artists Benevolent Fund.

I should indeed be happy  
for any replica work you could  
give me. - I have had experience  
in this direction. Thanking you  
once more for your very kindly  
interest.

With kindest regards.

Sincerely yours.

H. Amshewitz.
