

WOLMER WOOD,

MARLOW COMMON,

MARLOW, BUCKS.

Aug. 6th 1930.

My dear Philip

You said you would like me to fix up to come to you for several days next week; would it suit you if I came on Monday or Tuesday next and kept you company till towards the end of the week? Drop me a line to say if this would be all right and I will arrange accordingly. If you do not want me for several days shall I come, instead, on Wednesday in the night?

I hope you and Lucy enjoyed yourselves at Bage and had decent weather there — we are getting rather too many thunder showers now.

Our love to you all

Ever yours

A. L. F. S.
