

Don't forget the Cohen show at
Walker's galleries, 118. New Bond
Street - it closes on the 15th &
I much want to know what
you think of it. The gallery, by the
way, closes at 5. P.M.

I hope Lucy was not attempting
the Channel passage yesterday,
we had a tearing gale here
and I imagine the sea must
have been very unpleasant rough

The revoir

always yours
