BEXLEY HEATH, KENT,

16th. V. 1930

My dear de ~~de~~lo': - I am accept-
ing the honour you have offered me
in the guise of your invitation for the
22nd which happens to be my first
day of my 60th year. In Mrs. Cham-
berlain's absence I hope I may be
permitted to bring Mlle André's
Titché, the Italian-French lady
I had the privilege of intro-
ducing to you and your wife
on the 15th. She will very
much appreciate the

invitation
has been sent
to her.

privilege of attending so stable ⁽²⁾
an evening as that of your soirée.

Q. - you may deduce from her
nationality she is a very keen and
intelligent art lover. The things that
interested her the most in your
studio were those from Egypt where
she lived for many years with
her family, some of whom
you probably met when
you were there.

I had a very interesting
letter from Paul several days
ago which I shall show you
this is a very keen observer.

Please let me know
(over)

3) That you have decided about
 my putting me up for the
 Lava Gr Club. Alfred Prapa
 will be your second proposer
 and we shall have a ~~the~~
 second ~~the~~ artist for the 3d one

I am following up your
 proposal for the Pilgrims & Bar-
 rath is the best man we could
 have on our side.

Kindest regards to all
 Most sincerely yours,
