Dear Mr. Laugel

I was very pleased indeed
to get your letter from Paris and
have waited for your return before
writing again. I have promised
myself the pleasure of attending
the Puvion View at your Galleries
on the afternoon of Tuesday Nov 4th?
where I hope to find you. Perhaps
you would give me the pleasure
of lunching with me at the

Union Club, Carlton House Terrace
beforehand, it would be very
nice if you could come, say at
1.15. With kindest remembrances
to you both

Yours Sincerely

J. Perry

Am just off to Marlborough College
for the week and but return home
on Monday
