

Chanters House
Shepton Mallet,

4 August 1932.

Dear Mr de Laszle.

Many thanks for your letter sent on here where I came to deal with certain family matters. I return tomorrow to London and shall see Countess Elza and hear the latest about plans.

Slatin sends me a card, just received, to say he was returning to Vienna

yesterday, Wednesday. He
goes to the family address of
I Reichsstraße 7. Vienna.

I am afraid he is to be
examined for some internal
trouble which has been annoying
him. I hope it will soon be
cleared up.

I was so sorry to miss the
opportunity of seeing your
studio but look forward to
another soon. My best compliments
to Mrs. de Lanza. Yrs sincerely
P. P. P.
