Dear Mr Laszlo

Anne Marie Slator

goes away next Friday to
Tuesday to the country. I
am rather glad as the heat
is trying for her. in this
over housed town!

I let you know in
case you had an idea
of getting her by our
Studio those days.

I have heard from

Station from Bad Hall
today. Adolf is with him.

He is not very well and
has not been able to start
his cure yet. I hope to
get better news soon.

My regards, please, to
Mrs Laszlo.

Yrs sincerely

R. A. Hipp
