Dear Mr. de Laszlo:

I am glad to receive your letter of February 19. It was a pleasure to welcome Paul to the United States.

I shall be happy to have the reproduction of your portrait of Marshall Lyautey about which there has been much favorable comment.

Comte de Noailles presented your letter of September 29. I was glad to meet him and asked him to tell our Sunday Editor of his studies of glass manufacturing in the United States.

I am leaving on March 15th for a few weeks vacation in California. I am enclosing ~~my~~ itinerary.

Upon my return to New York I shall anticipate seeing you in the United States with much pleasure.

With regards to Madame de Laszlo,

Always sincerely yours,

*Louis Wiley*
