Dear Mr. Roberts,

Many thanks for your letter of 12th May, and for the chapter dealing with Art in 2030 A.D. by Mr. de Laszlo. This is excellent, and I am very grateful indeed to Mr. de Laszlo for writing it for me. Please assure him that it will not be in any way altered or cut for publication.

I will be writing in a day or so with regard to the proposed book about the life of Mr. de Laszlo.

Yours very truly,
