Dear Sir I have not written
earlier as arranged, in reference
to the casting of another piece
of your work, having heard of
the great trouble you had,
owing to the accident to your
son. Please accept my sympathy
& sincere wishes for his speedy
recovery. If you could now
give me an appointment to
decide about the casting, I
should be very pleased as

at present I have not much
work in hand.

Thanking you
Kind reply I am

Yours Faithfully
