

22nd April, 1929.

Dear Mr. Edsall,

I wish to thank you for your letter of April 19th.

You are quite right, Amshewitz's picture is a perfect work. I like it very much, and he deserves more success than he has.

I would like so much to see you here in my studio and show you some of the works I brought from Egypt. Bawldrey is coming to-morrow (Tuesday) at 5.15., and I should be so pleased if you could come here to tea at the same time. I hope this will be convenient to you.

Yours cordially,

Percy Edsall Esq.,  
Royal Society of British Artists.
