Dear Mr. de Laszlo,

I find that the Treasurer of St. Bartholomews Hospital is interested in the suggestion to hold an Exhibition of Pictures on behalf of the Hospital and hopes to make arrangements to carry out this project in due course.

Unfortunately it would not be possible to arrange an Exhibition on the lines anticipated by July of this year but if the Gallery was free later on perhaps we might be allowed to approach you again even if it is as far ahead as July 1931.

Anyhow I am most grateful to you for your very kind offer and if we further have your co-operation as an exhibitor the success of the Exhibition is doubly assured.

I so much enjoyed your Soiree last Thursday, I thought the P.R.A. was a most charming and delightful person-
-ality.

Yours very sincerely,

Paul Bridgman
