

MINISTERELNÖKSÉG

Budapest,
14th March
1930.

Kedves jó barátom!

Magyarországon mindenki a
leposoban, by a Royal Society of
British Artists, Magyarország
előkelő. Tegnap kéltél jóból,
jóró lajcsintól gratulációkat.

It is a great satisfaction for
you and all your friends are
very happy and proud, that
you got such a rare honor.

The Post Office reproduced
your portraits from Admiral de
Horthy, and also de Horthy
on the occasion of the 10th

DEPARTMENT OF THE ARMY

anniversary of his Election to
Regent of Hungary.

I had to arrange all this
pibelec days. My greatest and
most disagreeable work was to
place thousand people in 1000
places in the Opera Gala Per-
formances. I had a great success,
because it was a beautiful
Honour. One did not see such a
Honour since the Millennium
Year. The program, the musical
part of the evening was arranged
by Hector Robert, by gentlemen
of the Cultus-Ministerium. It
was rather dull. As Dolmanczyk
got a number, one had to give
one number to Huber too. So

had to give one to Kovally, and to
Bartok. I got the warm *hozsin*
and *elint* of the Regent. The
Regent got the Associate Order
from the King of Italy. It is now
the greatest order in Europe. His
Cugino, my cousin is now the
● Regent to the King of Italy. The
order was handed over though
the new Italian Minister of
Italy, Mario Adolfo in a special
ceremony and military pomp.
I collaborated for the success of
● this ceremony and I got a warm
letter of recommendation from
the Italian Minister. I spoke
with Petrossi, now he must
make a special wall for your
pictures in the Museum.
- This is a very interesting propaganda

With best wishes from
your truly
Daisy

work of the newspaper, "Magyarok"
written in English, Italian and Hungarian
and your portrait from Countess
Joseph W. Weckstein and Child is
reproduced. I shall send you this
work. Yesterday Archduchess
Sorbella gave a big reception in the
Park Club. Everybody was astonished
that Archduchess Albrecht refused
to her mother to assist to the wedding
possibly he is not feeling well. This
quite confidential to you. You should
congratulate in a letter to the Regent
that the King of Italy conferred upon
him the most greatest honorate
Order, which was founded in the 18th
century. My own opinion and very rare
statesman. Unwilling for after being
been for several years in the United States.
My best wishes to you and to Daisy.
I spoke with Maup. He is well. He
hopes to come in May to Paris and
hope to see your pictures in the Salon.
