15th August, 1931.

I wish to thank you for your letter of August 11th and for the delightful description of the festivities recently held at Glamis Castle, of which I have read so much.

I am very pleased to hear that my portraits of the Earl and Countess of Strathmore, and also those of the Duke and Duchess of York are so much appreciated; such news gives me always great satisfaction.

After being kept unusually busy for several weeks I am feeling very exhausted at present and leave to-morrow for Baden-Baden to take a three weeks' rest cure, after which I shall join my family in the Tyrol, and we all return home by September 15th.

With kindest regards and best wishes,
Yours very sincerely,
