Dear Sir Madam
I have received your letter
with enclosed £2, for which I thank
you very much indeed. Please convey
my thanks to M^r de Laoglo for his
kindness. I am sorry he has his work
in new, but shall be grateful if
he will remember me, should he
have some on his return to England.
At present I have had to take a job
as Kitchen Porter, at an Ice Club in
Page St West Hinds. — Anything
to bring some money in, but you
can imagine how glad I shall
be to get back to my own

work. Again thanking you
I am
Yours faithfully
G. Horini
