Sunday evening
Dear Mr de Lesylo,
Let me thank you most
heartily for your kind
letter & the delightful
words of introduction to
Lord Killington!
And thanks ever so
much for the charming

dinner on Friday night.
If you only knew how I
am looking forward to
have my picture painted
by you, I am sure you
would be quite proud!
I shall come over to see you
after my return from
India & tell you all about
my experiences out there.
Please remember me to
your so kind wife!

And believe me yours
very devotedly Annie Anuska
