

LONDON,

26th March, 1931.

Dear Sir,

Mr. P.A. de Laszlo has just returned from abroad after several weeks' absence, and, with reference to your letter to him of March 4th, wishes me to let you know that he much regrets being unable to offer you any assistance in regard to the disposal of the picture painted by him which is in Mrs. Hall's possession.

Believe me,
Yours faithfully,

Secretary.
