

• A deep regret
• ~~unavailable~~
• assent at
unveiling all my time
fully engaged before my 20 - 4 - 31.
departure for Paris.
Dear M^r. de Laszlo.

● Many thanks for your wire.
It is unfortunate that your
Oxford engagement clashes with
our presentation ceremony.
I am wondering whether
you could get the Oxford
engagement over by say 4 o'clock
in the afternoon. If so we
● will gladly alter the time for
the presentation of the portrait

to 7 o'clock & would send a
car to motor you from
Oxford to Walsall. We are
all so anxious for you to
present the portrait to the
Town that we gladly alter
our arrangements to suit
your convenience. We are
having a Committee meeting
on Wed. next the 23^d & if
is possible to do as suggested
above, perhaps you will drop
me a line by return post.
We would gladly offer you
hospitality & a bed for the
night. If the above suggestion

is impracticable we might fix a later date
to suit your convenience, but 7 or on the
30th inst: would be preferable as the Jerome
enthusiasm will then be at its height.

With many thanks in advance for
the favour of your early reply

Yours Very Truly
Alfred Moss

Hon Sec. to the
Committee.
