Dear Mr. de Laszlo,

Many thanks for your letter. The information was very useful and Ivan de Rakovsky will be advised by Lord Rothermere that the arrangements for the copy have been completed already.

I suppose the financial side of this matter has been settled. Not knowing, however, anything on this score I think I better wait until Mr. Geza Paur dispatches the picture or writes as I have no instruction to act.

Appreciating your kindness,

I remain,

Yours very sincerely

J. Nandor Fodor
