3 Fitzjohns Ave, N<sup>1</sup>W.3.

Dear Mr. De Laszlo,

May I ask your kind attention in the following matter of  
Lord Rothermere:

Ex-Minister Ivan de Rakovszky writes to Lord Rothermere that  
you asked him to find an Hungarian painter to make a copy of  
your portrait of Lord Rothermere. He suggests Ede Ballo, describ-  
ing him as an excellent artist and copyist.

While in Budapest I think I heard that the copy is being done.  
For the sake of caution I have to inquire with you before I sub-  
mit the letter to Lord Rothermere. Perhaps it was Ballo himself  
who was already at work. In any case I think you will know whether  
anything has been done in this matter.

I shall greatly appreciate your kind answer and with best wishes  
for the New Year,

I remain,

Yours very faithfully
