Dear Mr. de Laszlo,

I am so glad you are going to write an article
in ^{your} connection with my Father for our Birthday Number and
I shall look forward to seeing it. Many thanks.

I am afraid there are no copies of THE STUDIO
for October 1901 and May 1907, which were the two numbers
about that time containing big articles on yourself, but
I am sending on to you our two bound file copies of volumes
24 and 40 and I hope they will serve your turn. As these
are the only copies in existence in this office I shall be
very glad to have them back as soon as you can conveniently
manage it.

With kind regards,

Yours sincerely,

G. Holme
