

16th December, 1938.

Dear Mr. Holmes,

I have received the two books, for which many thanks.

They are just the articles I wanted to see, as the earlier one, of October 1931, was the cause of my first meeting with your Father, and from that day our friendship began.

I will send you back the books in a few days, with the article which it gives me great pleasure to write for you.

May I ask you if you intend to reproduce with it the portrait of your Father which I painted, as I may allude to it?

With kind regards,

Yours sincerely,

C.G.Holme, Esq.,
