Dear Mr de lazo

I saw Mr Finlay this afternoon and he is going to show the photographs of the 16th Cen Cabinets etc to the Excellency Mr Mellon and if you can use your influence I should be very grateful. Mr Finlay wished me to tell you that he would very much like to see you. I hope soon to have the chance of Engraving one of your portraits and should be pleased for you to bring Mrs de Lazo to see the antiquary.

Sincerely yours

Ernest Stamp
