22nd Nov. 1932

Dear Sir,

I am much obliged to you for your very kind offer, and will give myself the pleasure of calling for tea on my next visit to London. Of the date of this I cannot be certain because since I had an unsuccessful operation in one of my eyes I have been an invalid and from being a 'young man' for all practical purposes I became in twenty four hours an old one. Consequently I have to choose my day for travelling very carefully. Being uncertain therefore when I shall be able to go to you, I think it best perhaps to send your sketch to you for signature which you so kindly offer to do.

Do you know your colleague Dr. John Collier who must live near you. I must pay him a visit on the same day.

With all kind regards and thanks

Yours very truly
Francis Fletcher Vane
of Hutton.
