My dear uncle Philip,
Very many thanks
for the nice letter
I received this morning
I have shown it to
Mr. Ferard, the Chairman
of the Hospital, who
is delighted at your
generosity & immense help.

He is writing to you
himself to thank you.
The Committee is putting
notices in the papers,
some of which will
appear on Monday,
& there will be special
red slips attached
to the circulars & posters,
which will be
broadcast next week.
It was terribly hard
to ask such a huge
favour & when you

responded in such a
marvellous way the
reaction was, as you
know, almost too
great. It still seems
like a dream - a
dream that keeps one
awake! - For more
than 20 years now,
I have thought of
you as one of my
greatest friends &
helpers in this
country & it is

is utterly inadequate
to say that I am
grateful - -

With much love
to Aunt Lucy & to
yourself.

Always affectionately

Alfred
